

## Folding ladders

The sturdy aluminium folding ladders are TÜV-certified professional-grade ladders with a maximum permissible load of 150 kg. Equipped with a wide platform and non-slip plastic feet, they are ideal for places where you often need to reach high shelves, such as offices, shops, storage rooms and medical facilities. They are low, compact and lightweight, making them easy to store, convenient to transport and comfortable to use.

- Available in various sizes
- load capacity up to 150 kg
- TÜV-tested professional quality
- made entirely of aluminium
- wide, stable standing platform
- plastic feet for secure footing
- non-slip coating on rungs and feet
- easy to transport and set up
- Color: Silver
